

## 2008 SSYC Comet Drew Bowl and Master's Regatta

On Saturday, September 13, SSYC hosted the annual Drew Bowl and Master's Regatta. A total of nine boats competed, with six from our local fleet. Visiting competitors included Wick Dudley/Cindy Huffaker and Andy/James Wood, both of Corsica River, Yacht Club (MD), as well as Brad Meade of Milford, CT sailing with our own Emily Berich. The winds on the day were light and variable, which made for long Olympic courses.

After completing two races there was a tie for first between Bob & Tommy Slook and Talbott & Lee Ingram; each having three points. Pete & John Schell were not far behind with seven points. Jim Widdis and Kelly Brinton led for a portion of the third and final race, however Talbott and Lee were able to overtake team Widdis/Brinton and take the bullet, giving them four points for the regatta and a 1<sup>st</sup> place finish. Bob & Tommy Slook were fifth in the third race; giving them eight points overall and second place in the regatta. Mike & Cathy O'Brien took third place in the regatta with thirteen points overall.

The Comet Fleet wishes to thank Jeff Jacobi for his support as PRO; and Watson Berich, John Quinn and his son-in-law, Phil Arnheiter, and Cathy Brinkman for their support on race committee and rescue boats; and Commodore Leighton Waters for his words of welcome, prize-giving, and photography for the regatta. The Drew Bowl and Comet Master's trophy was won by the O'Brien's last year and with the Ingram's win, will remain within the SSYC Comet Fleet for another year.
